### Lane Closure Information

To provide you with the most accurate information about upcoming traffic events, we will give 48 hours' notice for all lane closures (including full highway closures) and traffic switches that will be in place less than 24 hours. We will give 14 days' notice for all lane closures and traffic switches that will be in place for more than 24 hours.

### UPDATE: Texan Trail Bridge

#### **The DFW Connector project has opened Texan Trail Bridge!**

One week after a third-party incident rendered the bridge unsafe to cross, the DFW Connector team opened a part of the bridge now that engineers have determined it is safe for travel.

One northbound lane and one southbound lane are now open on the west side of the bridge. Switching traffic allows construction crews to demolish and rebuild the east side of the bridge.

Thank you for your patience last week as we worked to ensure your safety!

### Weekend Full Highway Closures
