### **I-635 CLOSURES THIS WEEKEND IN GRAPEVINE** NorthGate Constructors to shift traffic on westbound I-635

**GRAPEVINE (MARCH 14, 2019)** — From 8 PM Friday, March 15 to 6 AM Monday, March 18, NorthGate Constructors will shift traffic on westbound I-635 from Freeport Parkway to SH 121 onto temporary pavement. The following lane closures are needed to safely accommodate the work:

#### **From 8 PM on Friday, 3/15 to 6 AM on Monday, 3/18:**

- Various lanes closed on westbound I-635 at Freeport Pkwy. One lane will remain open at all times.
- Associated closures:
  - Westbound I-635 off-ramp to northbound SH 121/FM 2499/Bass Pro Dr., detour to southbound SH 121 then Main St.
  - Westbound I-635 on-ramp at Royal Ln., detour to Royal Ln. then Bethel Rd.
  - Westbound I-635 off-ramp to southbound SH 121/DFW Airport/SH 114, detour to Freeport Pkwy.
  - *\*Note the off-ramps to northbound SH 121/FM 2499/Bass Pro Dr. and southbound SH 121/DFW Airport/SH 114 will not be closed at the same time.*

All construction work is dependent on weather conditions. Drivers should plan accordingly during this work and add extra time to their commute. Additional nightly closures will take place this weekend across the project, and NorthGate encourages all drivers to visit our website at [dfwconnector.com](http://dfwconnector.com) for complete details.

The \$371 million I-635/SH 121 Interchange project will increase capacity and connectivity between I-635, SH 121, SH 26 and FM 2499. The improvements were included in the original \$1.6 billion DFW Connector project, but funds were not available at that time to deliver the entire scope. These improvements are now funded as part of the Texas Department of Transportation's Texas Clear Lanes initiative, which aims at improving congested corridors across the state.
