BRIDGE DEMOLITION CONTINUES THIS WEEKEND IN GRAPEVINE NorthGate Constructors to impact southbound SH 121 traffic to complete operation

GRAPEVINE (June 27, 2019) — NorthGate Constructors will continue bridge demolition as part of the I-635/SH 121 interchange project this weekend from 8 PM Friday, 6/28 to 6 AM Monday, 7/1. Crews have a small portion of the old northbound SH 26 bridge to northbound SH 121 remaining to demolish from last weekend's operation. The following closures are needed to safely conduct the work:

From 8 PM Friday, 6/28 to 6 AM Monday, 7/1:

- Full closure on northbound SH 26 off-ramp to northbound SH 121. Traffic will be detoured to Bass Pro Drive.
- Full closure on southbound SH 121 frontage road at Grapevine Mills Trail. Traffic will be detoured to SH 26.
- Full closure on southbound SH 121/FM 2499 off-ramp to I-635/Bass Pro Drive. Traffic will be detoured to the southbound SH 121 frontage road, then SH 26.
- Full closure southbound SH 121 at FM 2499 from **8 PM to 6 AM Friday only**. Then two right lanes closed on southbound SH 121 from 6 AM Saturday to 6 AM Monday.

Drivers should plan accordingly during this work and add extra time to their commute. Additional nightly and extended weekend closures will take place this weekend across the project, and NorthGate encourages all drivers to visit our website at dfwconnector.com for complete details. All construction work is dependent on weather conditions.

The \$371 million I-635/SH 121 Interchange project will increase capacity and connectivity between I-635, SH 121, SH 26 and FM 2499. The improvements were included in the original \$1.6 billion DFW Connector project, but funds were not available at that time to deliver the entire scope. These improvements are now funded as part of the Texas Department of Transportation's Texas Clear Lanes initiative, which aims at improving congested corridors across the state.
